Praying for Children and Schools

Career Groups

The mission of Moms in Prayer International, an interdenominational prayer ministry previously named Moms In Touch, is to impact children and schools worldwide for Christ by gathering mothers to pray (weekly is optimal). Mothers of adult children who are no longer in school can still be praying for this important season in their child's life. A Career Group is two or more mothers in the same geographic area who meet to pray for their grown children who are in the career stage of their lives. In keeping with the mission of Moms in Prayer International, groups that have no naturally designated school to pray for will choose a school in their area which does not have its own Moms in Prayer group, or their child's alma mater, and pray on behalf of the teachers, the administration and students during intercession.

Helpful suggestions

The Prayer Sheet is a valuable tool to use during the time of prayer. Partially filled-in Prayer Sheets are available under Leaders Corner at www.MomsInPrayer.org. During the intercession time, please consider the following:

- Have each member choose one child to pray for that week.
- Pray for the chosen school each week.
- Divide into smaller groups of twos or threes if the size of the group allows.
- Mothers of children in the career stage of their lives can easily combine with college/university Moms in Prayer groups, if desired.
