Praying for Children and Schools

College/University Groups

The mission of Moms in Prayer International, an interdenominational prayer ministry previously named Moms In Touch, is to impact children and schools worldwide for Christ by gathering mothers to pray regularly (weekly is optimal). Prayer is a special way of connecting with your sons and daughters who are away at college. Moms in Prayer International provides a format which can be adapted by moms of college/university students who wish to get together and pray. College/University Groups pray not only for their children, but also for their professors and their campuses, which are in desperate need of their prayers.

Helpful suggestions

The Prayer Sheet is a valuable tool to use during the time of prayer. Partially filled-in Prayer Sheets are available under Leaders Corner at www.MomsInPrayer.org. During the intercession time, please consider the following:

- Have each member choose one child to pray for that week.
- Pray for that child's college/university.
- Divide into smaller groups of twos or threes if the size of the group allows.
- Prayer request suggestions can come from your son or daughter, the campus newspaper, college catalog or college website.
