Praying for Children and Schools

Preschool Groups

The mission of Moms in Prayer International, an interdenominational prayer ministry previously named Moms In Touch, is to impact children and schools worldwide for Christ by gathering mothers to pray regularly (weekly is optimal). A Preschool Group can pray for children who attend preschool or the group can pray for children not yet attending school. In this format, each woman will either pray for the school their child attends or choose a school in your area that does not have anyone praying for it and/or a school where your child might attend in the future.

Helpful suggestions

The Prayer Sheet is a valuable tool to use during the time of prayer. Partially filled-in Prayer Sheets are available under Leaders Corner at www.MomsInPrayer.org. During the intercession time, please consider the following:

- Have each member choose one child to pray for that week.
- Pray for that child's preschool or the chosen area school.
- Divide into smaller groups of twos or threes if the size of the group allows.
