

Multiple-School Groups Military

The mission of Moms In Touch International, an interdenominational prayer ministry, is to impact children and schools worldwide for Christ by gathering mothers to pray (weekly is optimal). Mothers with daughters or sons serving in the military may choose to pray with a Career Group or form their own Military group. A Military Group is two or more mothers in the same geographic area who meet to pray for the unique needs of their sons and daughters serving in the military. In keeping with the mission of Moms In Touch, multiple-school groups that have no naturally designated school to pray for will choose a school in their area which does not have its own MITI group and pray on behalf of the teachers, the administration and students during intercession.

During the intercession time, please consider the following:

- Have each member choose one child to pray for that week.
- Pray for the military school or chosen area school each week.
- Divide into smaller groups of twos or threes if the size of the group allows.
